

“ I’ve used New Horizons software since 1989 and recently upgraded to their OrthoExec® Advanced program. Their system is user-friendly, multi-tasking, and packaged with excellent customer support.”

DR. MARK WEISENBERG,
VILLA PARK, CA

NEW HORIZONS CLIENT SINCE 1989

Dr. Mark Weisenberg and his staff have relied on New Horizons Software for over 15 years to manage multiple daily tasks with efficiency and ease: everything from tracking accounts and scheduling patients to quickly generating letters for referring doctors and patients. And the live 24/7 support helps ensure that the office runs smoothly at all times.

Immediate and personal attention is the norm at New Horizons. “Their support service is excellent,” says Dr. Weisenberg. “We’re very happy with New Horizons. We’d recommend them to anyone.”

With the New Horizons OrthoExec® Advanced series, orthodontic practices can:

- Improve case acceptance
- Increase cash flow
- Streamline scheduling & check-in
- Automate tracking & billing
- Create instant letters
- Go paperless!
